Q5 Critics say EPA Administrator Scott Pruitt has spent millions in taxpayer dollars on first class flights and travel, and security – far more than his predecessors. Reports indicate that Pruitt flew first class when his travel was paid by taxpayers and flew coach when he paid for the travel himself. While in DC, he's been renting a condo from a lobbyist at a below market rate in what many say raises ethical questions. Defenders of Scott Pruitt say his travel and security costs are not that much more than his predecessors and his condo rental from a lobbyist was only temporary. Does this give you very serious concerns, somewhat serious concerns, minor concerns or no real concerns about EPA Administrator Scott Pruitt?

Very serious concerns 49%
Somewhat serious concerns 21%
Minor concerns 16%

Q6 Some Republican members of Congress have called on Scott Pruitt to resign. A Republican Congressman from Florida said that his "corruption scandals are an embarrassment to the Administration, and his conduct is grossly disrespectful to American taxpayers. It's time for him to resign or for the President to dismiss him." However, one Republican Senator from South Dakota says that Scott Pruitt has been doing "a good job", and that alleged ethical lapses on the part of Pruitt could be overblown. Having heard this, let me ask you again: do you think President Trump should fire EPA Administrator Scott Pruitt, or not?
